TAMPER-EVIDENT SEAL

This document is cryptographically sealed by Kastom Ledger. Any modification after generation will invalidate the digital signature and verification code.

HOW TO VERIFY THIS DOCUMENT

- The verification code can be validated against the Kastom Ledger system.
- The document ID and ledger entry must match the system records.
- Any discrepancy indicates the document has been tampered with.

Legal Disclaimer

This Digital Will is a record of the testator's intentions as recorded in the Kastom Ledger system. It does not replace legal advice or formal legal processes. For legal validity, please consult with a qualified legal professional.

This document was generated automatically by the Kastom Ledger system and is not legally binding unless otherwise recognized by law.
