TAMPER-EVIDENT SEAL

This document is cryptographically sealed by Kastom Ledger. Any modification after generation will invalidate the digital signature and verification code.

HOW TO VERIFY THIS DOCUMENT

1. The verification code can be validated against the Kastom Ledger system.
2. The document ID and ledger entry must match the system records.
3. Any discrepancy indicates the document has been tampered with.

Legal Disclaimer

This Digital Will is a record of the testator's intentions as recorded in the Kastom Ledger system. It does not replace legal advice or formal legal processes. For legal validity, please consult with a qualified legal professional.

This document was generated automatically by the Kastom Ledger system and is not legally binding unless otherwise recognized by law.
